

SEAL Program

Selected Entry Accelerated Learning

Welcoming applications for 2019

There are currently thirty-six Victorian secondary schools delivering the Select Entry Accelerated Learning (SEAL) Program. The SEAL program aims to address the learning needs of gifted and high potential students who are capable of working at a significantly faster pace and in greater depth than peers of their own age.

Reservoir High is one of the few selected schools in the northern region to offer a SEAL Program and provide this opportunity to highly able and academic students.
