PURPOSE

The purpose of this policy is to:

- Provide an outline of the complaints process at Reservoir High School so that parents and members of the community are informed of how they can raise complaints or concerns about issues arising at our school
- Ensure that all complaints regarding Reservoir High School are managed in a timely, effective, fair and respectful manner.

SCOPE

This policy relates to complaints brought by parents, carers, students or members of our school community and applies to all matters relating to our school. In some limited instances, we may need to refer the complainant to another Department of Education and Training process where there are different mechanisms in place to review certain decisions, for example, expulsion appeals.

POLICY

Reservoir High School welcomes feedback, both positive and negative, and is committed to continuous improvement. We value open communication with our families and are committed to understanding complaints and addressing them appropriately. We recognise that the complaints process provides an important opportunity for reflection and learning.

We value and encourage open and positive relationships with our school community. We understand that it is in the best interests of students for there to be a trusting relationship between families and our school.

When addressing a complaint, it is expected that all parties will:

- Be considerate of each other's views and respect each other's role
- Be focused on resolution of the complaint, and on the interests of the student involved act in good faith and cooperation
Behave with respect and courtesy
- Respect the privacy and confidentiality of people involved, as appropriate
- Seek reasonable resolutions that comply with applicable legislation and Department
- Recognise that schools and the Department may be subject to legal constraints on their ability to act or disclose information in some circumstances.

Preparation for raising a concern or complaint

Reservoir High School encourages parents, carers or members of the community who may wish to submit a complaint to:

- Carefully consider the issues you would like to discuss

- Remember you may not have all the facts relating to the issues that you want to raise
- Think about how the matter could be resolved
- Be informed by checking the policies and guidelines set by the Department and Reservoir High School.

Complaints process

Reservoir High School is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns in the first instance should be directed to the front office who will direct your concern to the most appropriate staff member. Where possible, school staff will work with you to ensure that your concerns are appropriately addressed.

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the Principal.

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, Reservoir High School will first seek to understand the issues and will then convene a meeting with the aim of resolving the complaint. The following process will apply:

1. **Complaint received:** Please either email, telephone or arrange a meeting through the front office with the Assistant Principal or Principal, to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.
2. **Information gathering:** Depending on the issues raised in the complaint, the Principal, Assistant Principal or the Principals nominee may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.
3. **Response:** Where possible, a resolution meeting will be arranged with the Assistant Principal/Principal to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint cooperatively, we will work with you to produce a written summary of the complaint in the event you would like to take further action. In some circumstances, the Principal may determine that a resolution meeting is not appropriate. In this situation, a response to the complaint will be provided in writing.
4. **Timelines:** Reservoir High School will acknowledge receipt of your complaint as soon as possible (usually within two school days) and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, Reservoir High School may need some time to gather enough information to fully understand the circumstances of your complaint. We will endeavour to gather any necessary information and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, Reservoir High School will consult with you and discuss any interim solutions to the dispute that can be put in place.

Resolution

Where appropriate, Reservoir High School may seek to resolve a complaint by:

- An apology or expression of regret
- A change of decision

- A change of policy, procedure or practice
- Offering the opportunity for student counselling or other support
- Other actions consistent with school values that are intended to support the student, parent, guardian and school relationship, engagement, and participation in the school community.

In some circumstances, Reservoir High School may also ask you to attend a meeting with an independent third party, or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

Escalation

If a parent or community member is not satisfied that their complaint has been resolved by the school, or if their complaint is about the Principal, then the complaint should be referred to the North Western Victoria Region by contacting the Community Liaison Officer by email school.complaints@edumail.vic.gov.au or by phone on 1300 338 691.

Reservoir High School may also refer a complaint to North Western Victoria Region if we believe that we have done all we can to address the complaint.

This policy will be reviewed as part of the school's three-year review cycle.
