PURPOSE

To explain to our school community the Department’s and Reservoir High School’s policy requirements and expectations relating to students using mobile phones and other personal mobile devices including gaming devices during school hours.

SCOPE

This policy applies to:

1. All students at Reservoir High School and,
2. Students’ personal mobile phones and other personal mobile devices including gaming devices brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, “mobile phone” refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches. Therefore notifications need to be switched off on smart watches and fitness devices.

POLICY

Reservoir High School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Reservoir High School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school’s office.

Personal mobile phone use

In accordance with the Department’s Mobile Phones — Student Use Policy issued by the Minister for Education, personal mobile phones must not be used at Reservoir High School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Reservoir High School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Reservoir High School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Reservoir High School's Personal Property Policy and/or the Department's [Claims for Property Damage and Medical Expenses policy](#).

Where students bring a mobile phone to school, Reservoir High School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Reservoir High School students are required to store their phones in their lockers. Upon enrolment at Year 7 a lock will be provided to all students. If a lock is lost or damaged a replacement lock will need to be purchased at the general office.

Enforcement

Students who use their personal mobile phones inappropriately at Reservoir High School will be issued with consequences consistent with our school's existing student engagement policies *e.g. Student Wellbeing and Engagement, Behaviour Management Policy and the Bullying Prevention Policy*.

At Reservoir High School inappropriate use of mobile phones is **any use during school hours (that is 8.40 a.m. – 3.05 p.m.)**, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others

- to engage in inappropriate social media use including cyber bullying
- to capture video or images of people, including students, teachers and members of the school community without their permission
- to capture video or images in the school toilets, changing rooms, swimming pools and gyms

 - Exceptions related to managing risk when students are offsite.
