

# Annual Events

Students at Reservoir High School have multiple opportunities to perform at various events around the school throughout the year.

## Performing Arts Night

Each semester, students from all year levels across the Music Program have the opportunity to perform at the Performing Arts Night. This is predominantly an ensemble-based event allowing the many ensembles the chance to showcase their work from throughout the semester.

## Soiree Events

Throughout the year, students are given the opportunity to perform at various soiree events.

# Our Facilities

The Reservoir High School Music Department provides students with excellent facilities to support the music classroom curriculum as well as the Instrumental program.

## Facilities include:

- Large classroom and band room equipped with PA and band set-ups
- Instrumental rooms that provide individual and small group rehearsal spaces

## Venue Hire

The Reservoir High School Performing Arts Centre is available for performance and corporate hire. Please contact school reception on (03) 9466 0900.

# Music Tuition

The Reservoir High School Instrumental Music Program supports students in their development above and beyond classroom learning.

Instrumental Music forms are available for collection from either the Music Office, or the front reception. New enrolments are accepted at any time throughout the year.

Instruments are available for hire. Please collect an Instrument Hire Agreement from the school reception.
